

Bathroom Whirlpool Systems

THE BOLD LOOK
OF **KOHLER**®

Whirlpool Systems

Whirlpool systems

Kohler whirlpool systems offer a range of benefits, depending on your mood of the day, whether you choose a light, relaxing massage or the stimulating movement of bubbling waters. In other words, a world of enjoyment for all tastes and preferences. Kohler can help you create your wellness space in the heart of your bathroom.

Benefits

Waterfall headrest

A comfortable position and pleasant sensation of water streaming down the bather's neck.

Backlit keypad

A discreet, easy-to-use keypad. One button = One massage programme.

Gentle air massage

Your body is wrapped in millions of air bubbles.

The + : Invisible injectors on the bath bottom, performance-driven patented technology offering easy care and comfort.

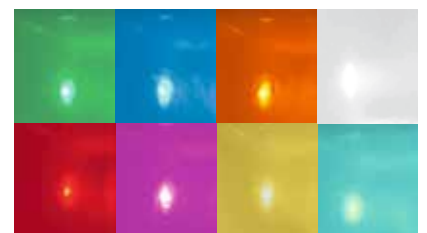

Air & Turbo Massage

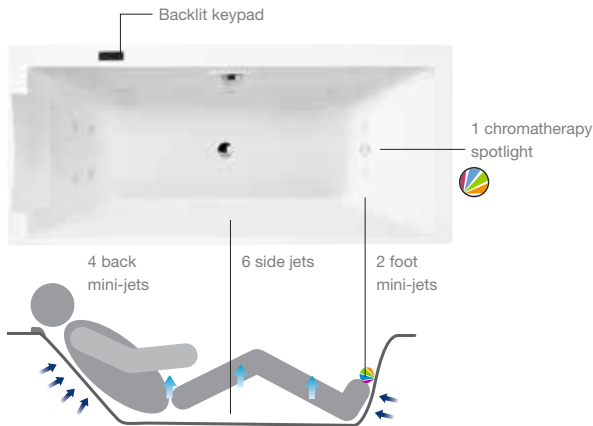

The water that is delivered works intensely over the body. The + : Back, side and foot jets fit flush for a discreet, clean look.

Chromatherapy

A high-luminosity spotlight colors your bath water. A set of colours for every programme.

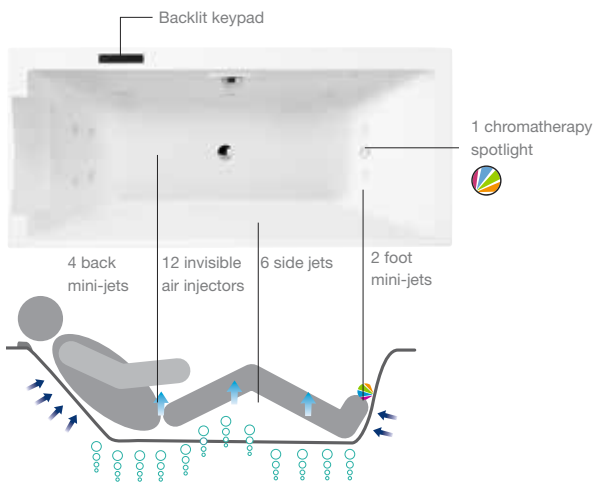

Whirlpool systems

Plus System

- Water, Air, Turbo and Draining massage
- Water heater
- 4 programmes: Silence, Tonic, Relax and Wave (massage by zone)
- Chromatherapy
- Automatic drying and sanitizing cycle
- Cleaning cycle
- Silence Kit included

Whirlpool systems

Silence is golden

Silence Programme

The 3 systems we offer are equipped with a Silence programme – a massage sequence especially designed to be as quiet as possible (30% to 40% less noise than a typical programme).

Silence Kit

The Luxe and Excellence systems are equipped with a soundproofing kit (anti-vibrating insulation), and a Silence Box (soundproofing panels for optimized noise reduction).

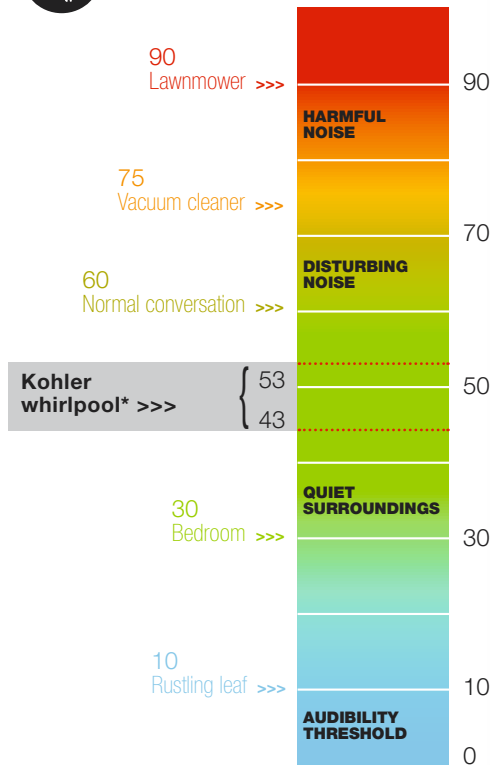

CSTB

For the purpose of transparency, Kohler commissioned the LABE, the European Laboratory of Building Acoustics of the CSTB (Science and Technology Centre for the Construction Industry) to measure the noise impact from their whirlpool baths.

Testing was conducted in accordance with the EN 15657-1 standard.

Sound levels in decibels

*Equipped with a Silence Box, Silence Programme (excluding waterfall)

Massdream

Massdream

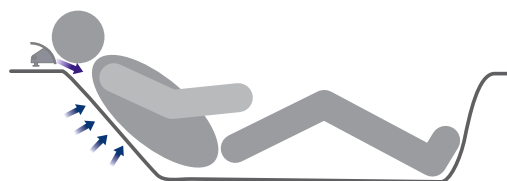

Massdream system presents an effective action against back and neck pains guaranteed relaxation and well-being. An easy system for bath lovers.

Benefits

8 Back jets

The concentration of the jets at the back level provides an effective and targeted action. Jets fit flush for a discreet and easy to clean system.

Full immersion sensation

The waterfall headrest allows a comfortable position to enjoy a waterfall of warm water to the neck.

Fully integrated technology

The On/Off function is fully integrated to the rim of the bathtub. Discreet and a gentle caress to the Kohler logo is enough to switch on and switch off the system.
